The Lawyers' Guide to Personal Injury Law is an instructional textbook for attorneys who want to become experts in the field of negligence law. The book provides a comprehensive analysis of the law in a multitude of areas within the field, including the various types of construction accidents, motor vehicle accidents, premises accidents, and more. The Lawyers' Guide to Personal Injury Law also provides a detailed roadmap - from intake through trial - to successfully litigating each of these claims and, ultimately, maximizing monetary compensation for accident victims and their families.
